INFORMATION AND ADVICE FOR YOUR
PERSONAL AND BUSINESS BANKING NEEDS

January 2008

High Point Office | 300 North Main Street | Telephone: 336.881.3400

Get Organized with Bill Pay and eStatements

A new year means new resolutions. Lots of us set a resolution to get better organized. High Point Bank has tools that help you keep that goal and organize your finances with our Free [Online Banking services](#) – **Bill Pay and eStatements.**

High Point Bank's free **Bill Pay** service makes paying your monthly bills as easy as 1...2...3!

1. Sign onto your online banking account and set-up each bill payee. The great thing is you only have to do to this once.
2. Elect to pay your bills recurring or as you need every month.
3. Leave the rest, and the postage, to us.

eStatements are a great way to cut down on the clutter. You will receive an email every month with your password protected statement attached. You can view it at any time and then save to your computer. No more stock piling your multiple page statements every month.

Remember, High Point Bank is more than just your community bank; we are your financial partner. Whether you need assistance with your personal or business banking accounts, investments, estate needs or want to re-evaluate your insurance – High Point Bank can customize a plan that works for you.

Kick off the New Year right and start organizing your finances today! Visit your [local branch](#) or call us at 336.881.3400 and sign up for Bill Pay and eStatements today.
